Advanced Freefall Program			A-License Program	
Jump	Reg Price	Pkg Price*	A-License Package	<p>USPA issues four skydiving licenses, A-D. You are considered a student jumper until you receive your 'A' license. USPA licenses serve as official documentation that the stated experience and skills have been attained. These licenses allow you to jump at dropzones all around the world. The 'A' license requires a minimum of 25 jumps and a completed proficiency card. Skydive Chicago requires completion of the A-license package within the season to qualify for the package pricing.</p> <p>A-Week Program</p> <p>Skydive Chicago now offers an expedited course. Get you're a-license in a week! This program includes 23 jumps of which 18 are with an instructor and include video. The program also includes a parachute packing class and license fees, no hidden costs. Students must complete two tandem skydives prior to enrolling. Total package price is \$3159. To qualify for this special discount, students must actually complete the program within the course dates.</p>
